

**ANNUAL
REPORT**

2018

ABOUT THE FOUNDATION

Mile Bluff Medical Center Foundation fosters charitable giving that supports Mile Bluff Medical Center's vision of providing the community with exceptional, personalized healthcare services.

As a foundation, we support new technologies and state-of-the-art equipment. We also fund education and training for the healthcare professionals who provide care to our friends and

neighbors, and we offer support for programs that improve the health and wellness of the community.

We are deeply grateful for the support of the individuals and businesses that continue to help make this possible. We are very proud that 100 percent of the funds raised through the foundation benefit the services at the medical center as well as the overall health of our surrounding communities.

A NOTE OF GRATITUDE

I want to take this opportunity to celebrate you. So many of the foundation's achievements would not have been possible without our volunteers and donors' generous spirit of giving.

This annual report is a celebration of the ways in which you've helped improve the lives of those

we are privileged to serve at the medical center. Every individual, business or community group that provides support to the foundation is part of its success story.

Among the highlights of the past year, were the launching of our first Men's Night Out event and the completion of Phase I of the Healing Garden restoration project. Men's Night Out was very well received as it celebrated the great outdoors and connected men with local resources for hunting, fishing, and health.

The Healing Garden Phase I completely transformed the lobby garden at the medical center. I am so very grateful for the help from green-thumbed volunteers and Lulich Landscaping. It made a huge difference! Our gardens tell our visitors and patients how much they matter to us.

When you visit the medical center, please take a moment to see the garden. Even in the snow and

cold of winter, it looks beautiful. We are looking forward to Phase II in the spring with the Surgery Memory Garden.

Looking ahead, we also face some challenges. We all know that healthcare is undergoing rapid and historic transformations. These changes impact every facet of care provided at the medical center. There is an increasing demand for high quality care at a good value for consumers.

Lower reimbursement rates and changes in the health of our population make it so very important that we have financial support from our community. This allows the medical center to continue to provide the highest quality and personalized care that is the hallmark of Mile Bluff.

In the coming year we hope you will join us as we set our foundation sights on continuing to grow and support excellent, independent healthcare services for our neighbors and friends.

Thank you for contributing to our work, whether it was singing along at Dueling Pianos, heading to the greens at the golf outing, or making a donation. We are grateful that you share our vision to keep compassionate and progressive healthcare available locally.

-Martha Airth-Kindree,
Executive Director

FOUNDATION NEWS

CREATING A PLACE OF HEALING TOGETHER

We are pleased to announce that the first phase of the healing garden remodeling project has been completed. In July, Lulich Landscaping renovated the lobby garden in just three days!

Healing gardens are a peaceful oasis for patients, family members and care providers. The gardens are places to unwind and seek refuge away from the stress of appointments, lab tests, and illness.

The new lobby garden features a variety of plants that will provide color throughout the year. With the redesign of the garden, an in-ground watering system and river rock bedding will help keep labor to a minimum. Everyone is welcome to visit the garden, relax on one of the benches and enjoy a breath of fresh air.

Phase II of the healing garden project is underway. In the coming year, we shift our focus to the garden in the surgical wing. Already, concrete pathways were poured to make it wheelchair-accessible and a gazebo-like shelter was built. This spring we plan to landscape the area and use the garden as a memorial space.

We would like to thank Lulich Landscaping for a job well done. We would also like to thank the donors who made these upgrades possible. A special thanks is given to those who volunteered their time: Dolly Fleming, Ruth Martin, Lynn Erickson, Theresa Tremain, Natty Kranz, Kathy Marose, and Rundi Delmore.

As Dolly said and we all learned, "A weed is simply a plant that wants to grow in the wrong spot."

SUPPORT THE FOUNDATION THROUGH AMAZON SMILE

As you're searching through Amazon for the perfect gifts or just for your every day needs, shop through the 'Amazon Smile' Program to benefit Mile Bluff Medical Center Foundation!

AmazonSmile is a website operated by Amazon with the same products, prices, and shopping features as Amazon.com. The difference is that when you shop on AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price of eligible products to the charitable organization of your choice.

Search for the link below to designate Mile Bluff Medical Center Foundation as your charity and support us every time you shop.

smile.amazon.com/ch/39-0992883

FIRST MEN'S NIGHT OUT A SUCCESS!

In October 2018, we launched the first Men's Night Out event. This outing was a free event where men had the opportunity to learn about the latest in outdoor sports, enjoy demonstrations and health screenings, and hear from local health experts.

In addition to the health and wellness resources, Hillsboro Brewing Company and Wisconsin River

Meats shared their delicious products. The event concluded with a presentation from local writer and outdoorsman, Mark Walters.

Men's Night Out was very well received by local men and area vendors. We're excited to offer this event again in the future. The event will alternate from year-to-year with Women's Night Out. This men's health event will return in 2020.

VOLUNTEERS MAKE THE DIFFERENCE

To change lives in healthcare through the work of the foundation, it takes a village of volunteers. As a small organization with numerous community initiatives and events, volunteers are needed to plan, organize, and lead the way for the foundation.

We would like to recognize our volunteers for their continued dedication to our cause. If you are interested in impacting the health of your community through the work of the foundation, please call 608-847-1495.

CONNECT WITH THE FOUNDATION

Online

To stay up-to-date on foundation events and news, search "Mile Bluff Medical Center Foundation" and like our page.

Online giving is also available on the medical center website. Using our donor portal you can make one-time gifts or recurring gifts. Visit www.milebluff.com/make-a-difference and find "Make a gift" to access the donor portal.

Community Tours

In an effort to help the community connect with the medical center and the foundation, we hosted several community groups for tours of the medical center. If your civic or community group is interested in learning more about Mile Bluff services, as well as getting a "behind-the-scenes" look at the medical center, call 608-847-1495 to schedule a tour today!

WORDS OF THANKS...

"Thank you for providing the funding allowing the Speech Pathology Department to purchase new iPads. Our patients enjoy using the iPads and are motivated to use them during therapy sessions to improve their communication skills and swallowing. Thank you for continued support!"

-The Speech Pathology Department

"On behalf of the Respiratory Therapy Department we want to thank you so very much for granting funding for our new Bubble CPAP system for our infant population."

-Ann Meicher, Respiratory Therapy Department

"Thank you so much for purchasing the Sci Fit exercise machine. Our cardiac and pulmonary rehab patients love having another option to strengthen their upper and lower body."

-Health Promotion Department

"Thank you for purchasing the NuStep for the Fair View Rehab Department. It has already been a great asset to the department and the patients love it. It is awesome to see all the purchases that the foundation provides and I hope this can continue for years to come."

-Emily Trescher, PTA

Ultimately our greatest joy is when we seek to do good for others."

-Desmond Tutu

EVENTS & CONTRIBUTIONS

Caring for Our Community Program \$42,861

Throughout 2018, Mile Bluff employees and medical staff members gave to the foundation through payroll deductions and gifts.

One-Time Contributions \$35,607

Many community members and businesses donated funds to the foundation in 2018.

Golf Outing \$23,604

In support of local healthcare, over 100 golfers hit the greens at Castle Rock Golf Course on a perfect summer day in August. Participants had the opportunity to compete in games and raffles throughout the course, enjoy a delicious meal, and have a great time supporting local healthcare.

Save-the-date for our 9th annual Golf Outing on Thursday, August 8 at Castle Rock Golf Course. We hope to see you on the greens!

Healing Garden Initiative \$10,326

Many individuals and Mile Bluff departments donated to the revitalization of the Mile Bluff Healing Garden.

Golf Ball Crash for Cash \$4,000

Raffle tickets were sold in exchange for numbered golf balls that were dropped toward a target from over 50 feet in the air. The three closest balls to the target won cash prizes of \$1,500, \$1,000, and \$500.

Men's Night Out \$1,231

Men's Night Out was a free event where men had the opportunity to learn about the latest in outdoor sports, enjoy demonstrations and health screenings, and hear from local health experts.

Employee Jeans Days \$908

Throughout 2018, there were several occasions where Mile Bluff employees could wear jeans to work when they donated to the foundation.

Purse Raffle \$757

To raise money for the Carol Purvis Education Fund, 3 Coach purses were raffled off by the committee. A special thanks to Nancy Pech and the Carol Purvis Education Fund Committee.

Spring Flower & Plant Sale \$520

Tomatoes, cabbage, broccoli, cauliflower, kale, kohlrabi and herbs – were all grown and donated to the foundation by our own Dolly Fleming, RN.

NURSES HELPING NURSES EVENTS

Dueling Pianos \$3,926

With entertainment provided by Piano Fondue, this all-request variety show featured two "dueling" musicians. They played a variety of musical styles that entertained. The event was held at the Wintergreen Resort in Wisconsin Dells.

Hosta Walk & Quilt Show \$1,812

Partnering with Uniquely Hostas in Elroy, Nurses Helping Nurses hosted a plant sale and quilt show. Thanks to all the KTY-JUN Quilt Guild members who shared their art. Join us this year on Saturday, May 18 for our next hosta walk at Uniquely Hostas.

SCHOLARSHIPS

CAROL PURVIS EDUCATION FUND SCHOLARSHIPS

Stacy Hargrove (Accounting):	\$2,000	Rebecca Oetzman (Accounting):	\$2,000
Stacy is attending Viterbo University to earn her Bachelor of Business Administration.		Rebecca is pursuing her Master's Degree in Healthcare Administration from Grand Canyon University.	
Kari Lalk (Rehabilitation Services):	\$500	Morgan Seitz (Lab):	\$750
Kari is attending Wisconsin Technical College as she pursues her Associates Degree in Nursing.		Morgan is pursuing her associate's degree as a medical laboratory technician.	
Kailey Luke (Fair View):	\$1,000		
Kailey is a CNA at Fair View Nursing & Rehabilitation Center. She is currently pursuing her Bachelor of Science in Nursing from Marian University.			

Since 2010, Mile Bluff Medical Center Foundation has awarded:

\$48,221

in tuition reimbursement/
scholarships for Mile Bluff
employees

NURSES HELPING NURSES TUITION REIMBURSEMENT

Nick Gollmer (Quality Assurance):	\$1,500	Erin Stanila (Infusion & Cancer Care):	\$3,000
Nick is currently attending University of Wisconsin Stevens Point as he pursues a Bachelor of Science in Nursing.		Erin graduated in August, 2018 with her Bachelor of Science in Nursing from Chamberlain College of Nursing.	

WORDS OF THANKS...

"This support has made this education journey less burdensome, and has given me more peace of mind that my goal is attainable. The help is evidence to me that the nurses in our facility care about each other and about continually enhancing the care delivered to our patients. To me, this support and dedication helps to affirm that Mile Bluff is where I want to be."

-Erin Stanila, BSN, RN

"I am honored to have been chosen as a recipient... I would like to thank you personally for your generosity and I am grateful for the opportunities it will provide me. Receiving this scholarship has helped reduce my financial burden and I will be able to spend more time on my studies."

-Stacy Hargrove

"Thank you so much for the scholarship toward my Masters Degree in Healthcare Administration! I think it is wonderful that employees and community members can donate to this fund to assist in the financial support of our employees trying to further their education."

-Rebecca Oetzman

APPROVED EQUIPMENT PURCHASES

Ferromagnetic Detection System

\$21,355

This system is used in the Medical Imaging Department to screen patients for metal prior to receiving an MRI.

MegaCode Kelly

\$12,964

MegaCode Kelly is a training manikin that helps the Education Department provide learners with more realistic situations (breathing sounds, heart sounds, pulse, etc.). This manikin helps staff improve life-saving skills and care that directly impacts patients.

Children's Activity Wall/Centers

\$9,149

To improve the experience of Mile Bluff's youngest patients, interactive activity wall/centers were installed in all Mile Bluff outreach facilities, medical imaging and surgery departments.

Accuvein Illuminator and Stand

\$6,989

The illuminator assists the Infusion & Cancer Care Department in finding the veins of infusion and chemotherapy patients.

Midmark 647 Podiatry Chair

\$6,509

This treatment chair is being used in Mile Bluff's Wound Care Clinic. This chair not only makes treatment more comfortable for older individuals and those with various health conditions, but it also helps the staff to provide care in an even more ergonomic and safer manner.

2 Nara Bassinets

\$6,446

Nara bassinets are designed to allow babies to be closer to their mothers when they're in bed. The height of the bassinet is adjustable, giving moms easier access to their babies following delivery in Mile Bluff's Obstetrics Department.

2 Premier Broselow Pediatric Carts

\$6,063

This cart is designed to aid in rapid response to pediatric patients needing intubation in an emergency situation. These carts are being used in the Emergency Department and the Obstetrics Department.

2 Body Mechanics Wheelchairs

\$6,000

These ergonomically-correct chairs are designed to prevent back and muscle injury related to transporting patients. The wheelchairs are used specifically to transfer patients between ER, Medical Imaging and Respiratory Therapy.

Mini Telemetry System

\$5,899

This wireless system allows mothers in labor to walk freely in their rooms or hallways while being monitored for contractions and fetal heart tones.

2 Bariatric Scales

\$5,880

This scale provides extra support rails for anyone who has trouble standing without assistance. These scales are being used at the clinics in Elroy and Necedah.

L8 18i Hockey Stick Ultrasound Probe

\$5,760

This tool allows for medical imaging testing to be conducted in small areas of the body. It can be used for various tests, interventional procedures, biopsies and scans.

Low Access Power Exam Table

\$4,942

This table can be lowered close to the ground, making it easier and safer for our elderly and disabled patients at Mile Bluff Clinic.

MegaCode Kelly in use during the filming of "Wisconsin Doctors" television show.

Nara Bassinet

Sci-Fit PRO 2 Total Body Exerciser

Sci-Fit PRO 2 Total Body Exerciser \$4,916

This machine is used to improve heart and lung health in patients undergoing cardiac or pulmonary rehabilitation.

Pocket Panic Buttons \$3,597

These panic buttons will be carried by care staff at the main medical center campus in Mauston.

Blanket Warming Cabinet \$3,450

A warm blanket provides comfort and reduces anxiety for patients who are undergoing tests and treatments in the Medical Imaging Department.

Surgery IV Warmer \$3,157

Warming IV fluids before they are given to a patient undergoing surgery improves patient outcomes.

2 Standard Titan Draw Carts \$3,115

These carts help to improve infection control as lab staff transports needed supplies to patient rooms when collecting blood.

Bubble CPAP System \$2,713

Respiratory Therapy uses this to provide continuous positive airway pressure when a newborn baby has labored breathing or low oxygen levels.

2 Charging Stations \$1,240

Patients and visitors can charge their devices when their own chargers are not available.

GKmini Walking Surface \$1,002

This moving surface helps rehabilitation patients relearn to walk after a stroke or spinal cord injury.

Clinton Training Stairs \$1,187

This small adjustable staircase is used in the inpatient setting for patients who need to practice and/or learn how to go up and down stairs in a safe way, prior to discharge.

Air and Oxygen Blender \$1,126

To help patients who are having breathing issues, Respiratory Therapy uses this equipment to make sure the right blend of oxygen is being delivered.

Two iPads \$900

iPads will be used by our speech pathologists to provide education, direct visual/audio feedback, and provide therapeutic exercises/tasks.

Sensory Equipment for Dementia Care \$735

This equipment helps decrease agitation, reduce restlessness, and even improve sleep in residents with dementia.

2 Arterial Core Thermometers \$715

These thermometers scan a patient's forehead to provide immediate results. These are especially nice for infants and toddlers at Mile Bluff Clinic.

Audiology Software \$350

An Auditory Steady State Response test can help assess hearing in people who cannot voluntarily respond to pure tones. The software is used for infants and young children, children with special needs, and individuals with worker's compensation cases.

iPad \$300

The tablet will be used for patient education and information collection in the Social Services Department. The larger screen will be ideal for patients with vision issues.

Buzzy \$198

Buzzy is used to block pain during needle stick procedures. Buzzy uses a combination of cold and vibration to dull pain receptors. This is being used in the Medical Imaging Department.

Titan Draw Carts

GKmini Walking Surface

Bubble CPAP Machine

Since 2010, Mile Bluff Medical Center Foundation has invested:

\$306,000

in new equipment for Mile Bluff.
