Clinics

Mile Bluff Clinic is attached to the hospital in Mauston and is owned by the health care providers

UW Specialty Clinic provides medical specialists from UW-Madison who travel to Mauston for the convenience of our patients

Delton Family Medical Center, Elroy Family Medical Center,

Necedah Family Medical Center and New Lisbon Clinic are outreach clinics built to more conveniently serve outlying areas

GENERAL SURGERY AT MILE BLUFF

Two highly qualified general surgeons, Dr. William Marculis and Dr. Timothy Napier, handle a wide variety of surgical procedures. They do laparoscopy, gallbladder removal, hernia repair, endoscopic examination of the esophagus, stomach and colon, colon resection, appendectomy, biopsy, mastectomy, lung and vascular surgery. Many procedures are done on an outpatient basis. Mile Bluff's Surgery Department is furnished with state-of-the-art equipment, including a laparoscope and laser.

PODIATRY AT MILE BLUFF

Richard Langen, D.P.M., and Chris Eckerman, D.P.M., see patients at Mile Bluff Clinic and other area clinics, and perform surgeries. For appointments, call 847-9750.

GYNECOLOGIC SURGERIES AT MILE BLUFF

Everett Roley, M.D., Jim Speichinger, M.D. and Susan Haack, M.D., see patients at Mile Bluff Clinic and the Delton Family Medical Center with many female disorders including: heavy and/or painful menstrual periods, ovarian tumors, abnormal PAP smears and urinary incontinence. These problems may incorporate same-day surgery or in-patient surgery in the form of a hysterectomy, laparoscopy or colposcopy. For an appointment, call 847-9750.

OTHER SERVICES AT MILE BLUFF

Cardiac rehabilitation, audiology, speech pathology, industrial rehabilitation, diabetes education, sports medicine, general pathology, respite care and more!
