2026 GIVING GUIDE

CORPORATE SPONSORSHIP PROGRAM

Mile Bluff Medical Center Foundation is blessed to be a part of a philanthropic community that believes in supporting health and wellness resources in our area. This corporate giving program is designed to make the sponsorship process convenient for our partners and supporters.

If you would like to participate in this program, you can customize your specific sponsorships by selecting the levels that work best for your budget.

- » **FIRST STEP** - Determine the budget for your annual sponsorship commitment
- » **SECOND STEP** - Choose the events that fit within that budget, match with your organization's charitable mission, event calendar, and optimal participation
- » **THIRD STEP** - Return your selections to Mile Bluff Medical Center Foundation.

Good health is our community's greatest resource. It is through the generosity of donors that the foundation is able to support new equipment, growth initiatives, and programs that benefit patients, the healthcare team and our community as a whole.

The patients and communities served by Mile Bluff are the heartbeat of the foundation's mission to enhance healthcare right here at home. Your support, at any level, makes a difference!
