

SUPPORTING LOCAL HEALTHCARE

Proceeds from the golf outing are just one of the many ways Mile Bluff Medical Center Foundation strives to impact the health of the community by supporting the medical center. By golfing with us, you are assisting Mile Bluff in bringing the latest technology, advanced services and best care possible to our patients.

Proceeds from our 2022 golf outing and other donor contributions allowed the foundation to provide:

- \$30,572 for equipment
- \$28,500 for medical center remodeling projects, including the new Birthing Center, and Infusion & Wound Center
- \$85,878 in mental health support and education
- \$19,700 in scholarships and tuition reimbursement

With your support, the foundation will continue to provide:

- Support for high-quality care for patients
- State-of-the-art equipment and technology
- Scholarships, education and training for current and future healthcare workers
- Community classes and programming
